March 12, 2014

Dear President & all Rotarians,

3-years have been past after our unprecedented disasters hit to Northern Area (Tohoku) in Japan on March 11th, 2011. Requiem was played and silent pray has been done inside in Japan everywhere yesterday.

We would like to express our sincere gratitude for your warm and deep sympathy at the time of it. Your thankful donation had been used to the educational subscriptions for four victims at a time of high-school age and they should graduate and live there against adversities.

On behalf of those 4 students as well as all Rotarian members who are concerned, we thank you once again and write this letter to you & all your Opava Rotarians.

Sincerely yours

Katsuki HATORI, President (2013-2014)

Shigenori OKUMA, Past-president (2010-2011)

Yoshiaki NAGASHIMA, Past-President (2011-2012)
